Corps of Engineers receives request from Tyler County for park lease at B.A. Steinhagen Lake

The Fort Worth District, U.S. Army Corps of Engineers, has received a request from Tyler County to lease Campers Cove Park at Town Bluff Dam and B.A. Steinhagen Lake. Tyler County plans to repair the access road, rehabilitate campsites, install water and electrical hookups, construct a new sanitary dump station and provide a gate attendant and security at the park. The County plans to seek a grant from the State of Texas to offset costs to operate and maintain the park.

The Corps of Engineers is accepting written public comments on this request until July 15, 2000. Questions or comments should be addressed to the Lake Manager, Town Bluff Lake Office, 890 FM 92, Woodville, Texas 75979-9631. The Lake Manager can be reached at (409) 429-3491 or by fax at (409) 429-3188.
